## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Avenue of the Arts, Inc.

We have audited the accompanying financial statements of Avenue of the Arts, Inc. (a nonprofit organization) which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Avenue of the Arts, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

NATURE OF ACTIVITIES

Avenue of the Arts, Inc. (the Organization) is a nonprofit organization founded in 1993 to promote the development, beautification, and marketing of the Avenue of the Arts. AAI has played an important role in transforming South Broad Street from City Hall to Washington Avenue into a vibrant and growing destination where people go to live, work, shop, play, and learn. The Avenue of the Arts is an important entertainment center for Philadelphia and the region. It is truly one of the most successful cultural, residential, commercial, educational and tourist locales in the United States.

Our primary mission is advocacy for the interests of the Avenue of the Arts stakeholders on issues ranging from strategic planning to marketing and place making in support of the economic and cultural vitality of this great street.

SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Measure of operations

The statements of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing program services and interest and dividends earned on money market and savings accounts. Non-operating activities, if any, are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

**NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

Basis of Accounting

The Organization's policy is to prepare its financial statements using the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Property and Equipment and Depreciation

The Organization follows the practice of capitalizing all expenditures for capital assets in excess of \$1,000. These assets are recorded at cost on the date of acquisition. The assets are depreciated on a straight-line basis over their estimated useful lives. Routine repairs and maintenance are expensed as incurred.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Status

The Organization is exempt from income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Organization has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Organization has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

During 2020, the Organization, like many businesses around the world, was significantly impacted by the COVID-19 pandemic.

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”). The CARES Act provided fast and direct economic assistance for American workers and families, small businesses, and preserved jobs for American industries. As part of the CARES Act, the Paycheck Protection Program (“PPP”) provided loan relief to small businesses with fewer than 500 employees and the Economic Injury Disaster Loan (“EIDL”) provided economic relief to businesses experiencing a temporary loss of revenue due to coronavirus (COVID-19). Both programs are administered through the Small Business Administration (“SBA”) via an SBA Participating Lender.

On April 23, 2020, the Organization entered into a loan agreement with PNC Bank and the SBA through the PPP for \$22,500. On May 1, 2020, the Organization entered into a loan agreement with PNC Bank and the SBA through the EIDL for \$3,000.

In June 2021, in accordance with the provisions of the CARES Act, the Organization was notified that the loans had been entirely forgiven. Accordingly, the proceeds received are reflected in the December 31, 2020 financial statements as forgiveness of debt income.
